Please note that municipal requirements and fees are always changing. This booklet is only meant to be used as a guide. Always contact the municipality for the most up to date information.

Dye tests and occupancy inspections must be completed and pass inspection before a municipality will release the lien letters and tax certificates required for closing. Always be sure to have these completed as soon as possible so as not to delay your closing.

ALLEGHENY COUNTY
DEVIATIONS FROM 1% LOCAL TRANSFER TAX
Effective September 1, 2023

4. Mt. Lebanon Municipality does not schedule dye tests. The plumber seller selects must be registered and licensed in Allegheny County.

Testing must include, but is not limited to any of the following:

Dye-testing at each downspout

Dye-testing at driveway and area drains

Dye-testing by flooding negative slope driveways with fresh-air vents at the base of the driveway (surface water should be captured by an area drain and not the vent)

Dye-testing at each roof drain on flat roofs where the rain leader is enclosed within the structure

Dye-testing at interior French drains or sumps

An approved dye test is good for three years.

Refinancing does not require a dye test.

102 Rahway Road, McMurray, PA 15317; email: custsvc@jordantax.com

Dye Test is required. All property owners who wish to **sell/transfer/assign/mortgage or refinance** their property in Scott Township must contact the Township to obtain an Application and Letter of Compliance (Application). To obtain the required Application property owners must call the Compliance Officer at 412-276-5300 ext. 218 or submit an online request.

Submit Online Dye Test Application Here:

<https://scott-twp.com/dye-test-application-2/>

Once the request has been received the Compliance Officer will prepare Section 1 of the Application and provide information for Section 2 on the location (including a map) of the manhole that the plumber will monitor during the dye test. After 5 to 7 business days the property owner or a licensed plumber who will be performing the dye test may pick up the Application on the second floor of the Township Building, 301 Lindsay Rd., Carnegie PA 15106. The Application will be in a plastic wall mounted bin marked "Dye Test Pickup". Note: It is the property owner's responsibility to select a certified plumber registered with the Plumbing Division of the Allegheny County Health Department to perform the dye test and pay for all costs associated with the plumber's work. Once the plumber completes his/her work and signs Section 2 the completed application should be returned to the Township Building and placed in the "Dye Test Dropoff" bin located on the 2nd floor. Note: The property owner must sign Section 1 of the Application before returning it to the Township. Applications cannot be processed without the property owners' signature. If the property fails the Dye Test, the owners are responsible for bringing it into compliance and having it retested and approved by a licensed plumber before resubmitting the Application to the Township.

Occupancy/Zoning Cert is not required at this time. Call Borough at 412-276-5300 to verify.
